Direct running off into casks.
100% malolactic fermentation into barrels.
Long ageing (15 to 18 monthes) in casks (one third new).

Visit : With appointment, please Call or Email us before coming.

---HERVE family still owns some samples of the first labelling Château Moulin Haut Laroque; it is the 1890 vintage!

The vineyard is surely one of the oldest one of this terroir.

So, we produce around only 4 to 5.000 cases a year!
